All Saints’ and All Souls’

November, the time of harvest and the beginning of the earth’s winter sleep, begins with a double feast in remembrance of those who have died.

The saints, people who already “harvested” into God’s kingdom, are remembered on November 1, All Saints’ Day. Each saint has something to teach about living as faithful Christians, and we rely on them to pray for us. We know that they will ask God to strengthen and protect us.

On November 2, we pray for all family members and friends who have died. We pray that they too are numbered among God’s holy ones.

Eternal rest grant unto them, O Lord. And let perpetual light shine upon them. May their souls and the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.
