Prayer for World Peace

Lord, we pray for the power to be gentle; the strength to be forgiving; the patience to be understanding; and the endurance to accept the consequences of holding to what we believe to be right.

May we put our trust in the power of good to overcome evil and the power of love to overcome hatred.

Help us devote our whole life and thought and energy to the task of making peace, praying always for the inspiration and the power to fulfil the destiny for which all are created equal.

Amen
